Start

Has the location of the treatment plant or wells changed? Or have any new wells been drilled?

Yes

Contact the Kentucky Division of Water Wellhead Protection Staff. This will be **attachment 1**.

No

Attachment 1 is not needed. Have you submitted any requests for revisions of your water withdrawal permit?

Yes

Please include the revised permit as **attachment 2**. Also any water quality data collected.

No

Attachment 2 is not needed.

Has the system changed or modified the wells or springs being used?

Yes

Please include copies of the Kentucky Well Inspection Form as **attachment 3**.

No

Attachment 3 is not needed.

Has the planning team changed since the original plan or the last 5 year update was completed?

Yes

Please include a list of the planning team members and their positions as **attachment 4**.

No
